

# Certificate of Completion

This certificate acknowledges that

**Oriol Fornés Crespo**

has successfully completed the

## **INTRODUCTION TO GENOMIC ANALYSIS WORKSHOP SERIES**

Sessions focused on using Linux and scripting commands, using high performance computing resources, DNA sequencing analysis (including variant calling and annotation), and RNA-seq analysis pipelines for identifying differential expression.

TRAINED BY: **PHILLIP RICHMOND**  
AWARDED ON: **JUNE 14, 2017**
